

Cory Henry presents new CT-X keyboard series at the Musikmesse in Frankfurt

Exclusive short gig of the Grammy award winner at the CASIO booth

Cory Henry (US)

The flagship of CT-X series: CT-X5000

Norderstedt, 9 April 2018 – For the official launch of its new CT-X keyboard series on the European market, CASIO welcomes a very special guest at the Frankfurt Musikmesse: On the 11th of April 2018 at 2 pm, the US-American keyboarder and pianist Cory Henry will present the CT-X top model to the public at the CASIO booth (Hall 11.0/ E90).

CT-X series

The new CT-X series comprises four models – the CT-X5000, the CT-X3000, the CT-X800 and the CT-X700. All models boast the AiX* Sound Source: The new sound source reproduces the characteristic sound of acoustic instruments such as pianos, strings, wind instruments and drums and is exceptionally capable. The impressively powerful sound of the brand new audio-system of CT-X5000 and CT-X3000 tells its own tale.

Overview of the top features of the CT-X series:

CT-X5000	CT-X3000	CT-X800	CT-X700
<ul style="list-style-type: none"> • 61 touch responsive piano-style keys • New powerful AiX Sound Source • New contemporary content within the 800 tones and 235 rhythms • 2 x pedal jacks incl. 1 x expression pedal jack • Audio In, Line Out, Mic In, USB to host & to device • Loudspeakers: 2 x 15 W 	<ul style="list-style-type: none"> • 61 touch responsive piano-style keys • New powerful AiX Sound Source • New contemporary content within the 800 tones and 235 rhythms • New: 4 phrase pads • 2 x pedal jacks incl. 1 x expression pedal jack • Audio In, USB to host & to device 	<ul style="list-style-type: none"> • 61 touch responsive piano-style keys • New powerful AiX Sound Source • New contemporary content within the 600 tones and 195 rhythms • 310 Music Presets, 195 One Touch Presets • Tap Tempo & registration freeze function • Pitch bend wheel • USB to Host, USB to Device, AUDIO IN, pedal jack 	<ul style="list-style-type: none"> • 61 touch responsive piano-style keys • New powerful AiX Sound Source • New contemporary content within the 600 tones and 195 rhythms • 310 Music Presets, 195 One Touch Presets • Tap tempo button • Registration freeze function • USB to Host, AUDIO IN, pedal jack

The CT-X700 (RRP 249.00 €) has been available since the middle of February 2018, the CT-X800 (RRP 299.00 €) has been available since the middle of March 2018 in specialist shops. The CT-X300 (RRP 349.00 €) and the CT-X5000 (RRP 449.00 €) will follow at the end of April.

In addition to the CT-X series, trade fair visitors can look forward to more news: The CELVIANO AP-470 digital piano and the PRIVIA PX-870 in a new colour (brown) will also be presented to the European public.

CELVIANO AP-470

The CELVIANO AP-470 has 22 tones, including two new tones that reproduce the sound of two different grand pianos. Furthermore, the AP-470 provides both new haptics as well as a completely new design: The keyboard cover was redesigned and all controls were combined and are now located on the side panel.

Overview of the top features of AP-470:

AP-470
<ul style="list-style-type: none"> • Multi-dimensional Morphing Air Sound Source • 22 sounds, incl. two new concert grand piano tones • Tri-sensor Scaled Hammer Action Keyboard II • Variable piano lid • Chordana Play For Piano - app connection • Split, layer and duet functions • Metronome, transposer, tuning function • 2-way, 4-loudspeaker system: 20 W + 20 W

The AP-470 (RRP 1099.00 €) will be available at specialist shops at end of April, the model PX-870 (RRP 999.00 €) in brown starting immediately.
